## INTERNATIONAL BUSINESS AND ENTREPRENEURSHIP POST FIRST-YEAR ADMISSION A.Y. 2023/2024

In the evaluation phase of admission applications for the first year, the Master's program in International Business and Entrepreneurship may consider validating exams and granting admission to the second year for candidates holding additional university qualifications beyond the admission requirements.

### Second year available slots

A.Y. 2023/2024	n° available slots	Admission requirements
EU and non-EU students (see d.lgs. n.286/1998 art.39 subsection 5)	7	Recognition of at least 30 ECTS credits from exams

The number of available slots for subsequent years after the first is calculated annually based on the positions made available due to withdrawals, transfers, etc.

### How to apply

- Submit the application for admission to MIBE 2024/2025 as specified in the respective [competition notice](#).
- In the online guided procedure, include, in addition to the course admission requirements, the exams for which recognition is sought.
- During the evaluation of the application for admission, the study program also assesses the declared exams, determining any recognitions and possible admission to the second year of the course.
- The offices will send the candidate the outcome of the evaluation.

**Attention: In the case of exams already recognized from previous academic paths, it is necessary to indicate the exam from the original academic career (the first one in which the exam was taken).**

### In case of a number of applications exceeding the available slots

The allocation of seats for the second year of the course will occur in chronological order based on the applications submitted by eligible candidates. We remind candidates that, while assigned to the first year, it is still possible to apply for "exam validation" through the [Filodiretto](#) channel, only for the validation of exams obtained in previous academic paths.
