3.1.2. EVALUATION OF QUALIFICATIONS

The Board will examine the qualifications submitted by the candidates and their academic and non-academic curricula, assigning a score as set out in the "Qualification assessment criteria" document available at the following link <https://portale.unipv.it/it/didattica/corsi-di-laurea/corsi-di-laurea-magistrale/international-business-and-entrepreneurship-management-internazionale-e-imprenditorialita>.

Should the Board wish to gain a further insight into the candidate's level of knowledge, a fact-finding interview may be arranged.

3.1.3. CHECKING ONE'S STATUS AND ENROLMENT DEADLINES

Candidate must monitor the status of their application from their own Reserved Area, through the OFFICE>ADMISSION TEST>exam link menu; under "REQUIREMENT ASSESSMENT" students can view the '**TEST TO BE COMPLETED**' status; the Board, in this case, has not yet completed the candidate assessment process.

Within 15 business days of submitting the application and paying the appropriate fee, the status will be changed to one of the following:

- '**PASSED/ELIGIBLE**' ► The candidate meets the requirements and has obtained the minimum score of 32 points, he/she will then be able to see if he/she can proceed with enrolment;
- '**FAILED**' ► The candidate does not meet the requirements or scored less than 32 points; therefore he/she will not be able to proceed with enrolment. Such candidate may reapply for the second call.

For candidates with a '**PASSED/ELIGIBLE**' status, a check of available seats will be carried out. For these candidates, a second status will be displayed, including:

- '**ADMITTED**' ► Candidate is eligible and there are seats available. He/she must, therefore, proceed with pre-enrolment [see section 5. ENROLMENT PROCEDURES] within the deadline as set out next to the status [ADMISSION DEADLINE], and then pay the first instalment within the deadline as set out next to the status [PAYMENT DEADLINE]. The status of 'admitted' candidates who fail to meet the pre-enrolment deadline and/or the payment deadline set for the 1st instalment will be changed to '**CANCELLED**'. In any such event, candidates will forfeit the opportunity to fill a position, but may compete in the next call.
- '**NOT ADMITTED**' ► Candidate is eligible but there are not seats available at the moment. These candidates should monitor their status on a daily basis for any change to '**ADMITTED**'.

No personal communications will be sent to candidates nor will any rankings be published, as each candidate is required to check their position in the Reserved Area.

Admitted candidates who do not proceed with enrolment will be considered to have withdrawn and will forfeit their right to enroll.

They may however reapply in the second admission call, with the relevant payment (see paragraph 3.2.): new elements may be added and a different assessment may be achieved.

During the first admission call, available seats will be assigned and the list of eligible candidates will be processed, in order of application submission, until all available seats have been filled and at any rate no later than 18 July 2024.

3.2. SECOND ADMISSION CALL

Any positions still available, including as a result of forfeitures or transfers, will be published by 19 July 2024 on <https://portale.unipv.it/it/didattica/corsi-di-laurea/corsi-di-laurea-magistrale/international-business-and-entrepreneurship-management-internazionale-e-imprenditorialita>.

Candidates may change and amend the SELF-CERTIFICATION OF CURRICULAR REQUIREMENTS and the documentation submitted until the deadline set of 19 August 2024 from their Reserved Area.

3.2.1 ASSESSMENT OF REQUIREMENTS, PUBLICATION OF RANKING LIST AND DEADLINES FOR ENROLLMENT

The Board will proceed with the assessment of the candidates, as described at the paragraph 3.1.2. and place the candidates in a ranking based on the score achieved. During this second session is required a minimum score of 20 points in order to obtain the eligibility and be placed on the ranking list. If two or more candidates obtain the same total score, the candidate with the youngest age will have the priority.

The ranking will be published by 16 September 2024 on the [University Notice Board](#) and will be visible in the Students' Area, where the candidates will be identified by the pre-matriculation number they were assigned during the enrolment process.

Following publication of the ranking list, candidates shown as <ADMITTED> will be able to proceed with matriculation within the 23 September 2024, as described in section 5.
