A.Y. 2025/2026	n° spots available	Requirements for admission
Contingent of EU students or non-EU students residing in Italy.	6	Recognition of at least 30 university credits of exams from previous careers

The number of spots available for admission to years different from the first is calculated annually based on spots made available following refusals, transfers.

How to submit the application

- Submit the application for admission to MIBE 2025/2026 as indicated in the relative competition announcement.
- In the online guided procedure, in addition to the course access requirements, also insert the exams for which you are requesting recognition.
- The course of study, during the application evaluation process for the admission, evaluates also the declared exams by determining possible exam recognitions and any eventual admission to the second year of the course.
- The offices responsible send to the various candidates their evaluation results.

Warning: in the case of exams already validated by previous careers, it is necessary to indicate the exam of the original career (the first time in which the exam was taken).

In case the number of applications exceeds the number of spots available:

The spots in the second year of the course will be assigned following the chronological order of applications submitted by the eligible candidates.

We remind all candidates that, remaining assigned to the first year, it is still possible to apply for "exam recognition" through the FILO DIRETTO for the exams obtained in previous careers.
