WP4 - TNE Student mobility

UniPV organized a student and a PhD student mobility plan with the Universidad de San Martín and Universidad Abierta Interamericana.

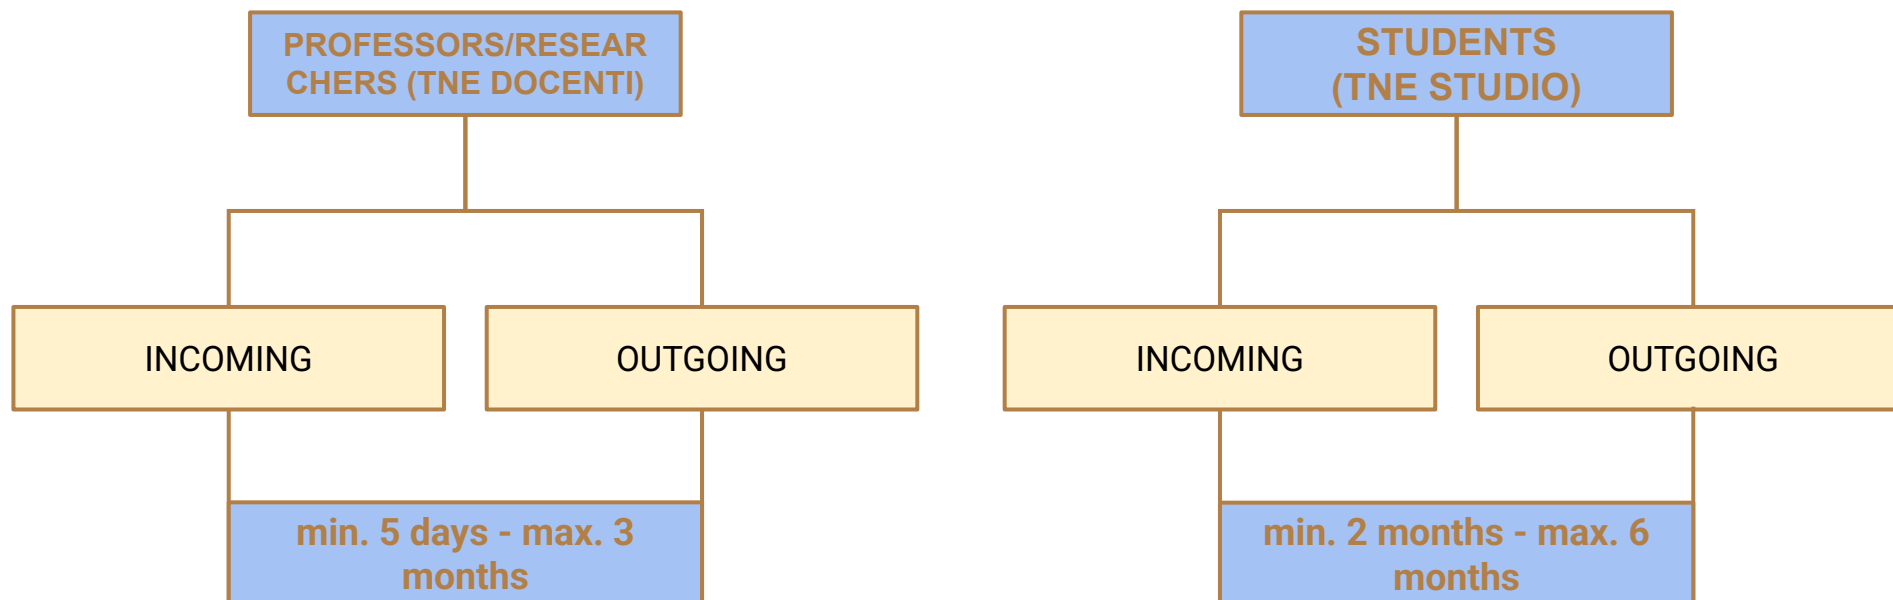

Both kind of students will attend courses and do research on:

- Computational dosimetry and simulation of radiation transport in matter
- New Profiles of Law

Mobility schemes

There are two main types of mobility

Steps for mobilities implementation

Guidelines for incoming students

1. Collection of partner Universities' International Mobility Office emails and first contact with their staff.
2. Partners Universities will run student selections, through a fair and open procedure.
3. UniPV will share with their partners the **TNE graphic; this must be used for all documents.**
4. UniPV will provide access to its Mobility Online platform for uploading student nominations.
5. UniPV Mobility Office will contact selected students for application guidance.

Steps for mobilities implementation

Guidelines for incoming professors

The partner University can select professors who will come to University of Pavia according to its internal procedure.

After the selection process, it's necessary **sending the nomination letter to:**

- the **UniPV** scientific coordinator of the project (Prof. Silva Bortolussi, silva.bortolussi@unipv.it)
- to **UniPV** Mobility Office (erasmus.staff.mobility@unipv.it).

UniPV will get in touch with the selected professors for clarifying the following steps.

Dissemination guidelines

The aims of dissemination are:

- promoting the project
- highlighting the changes that have taken place thanks to EU resources

For every document, event and manifestation related to the project must be used:

- symbol of the European Union
- logo of the MUR
- Italia Domani logo

It's essential to indicate the **CUP (Codice Unico Progetto)** of the project
