**CALL FOR ERASMUS+ OUTGOING SHORT STUDENT MOBILITIES
BLENDED INTENSIVE PROGRAMME**

**Understanding research on neurocognitive and digital dimensions of reading, reading difficulties and online reading comprehension
academic year 2025/26**

In the framework of the Erasmus+ Programme – KA131 Learning Mobility of Individuals, and on the basis of the results and the funds awarded under the project **Erasmus 2025-1-1102-KA-131-HED-000306528**, a call for **students' selection** is published to assign contributions to take part into the **BLENDED INTENSIVE PROGRAMME** named *Understanding research on neurocognitive and digital dimensions of reading, reading difficulties and online reading comprehension* hereafter referred to as “BIP”.

This interdisciplinary course aims to explore the neurocognitive underpinnings of reading, reading difficulties and online reading comprehension and how digital environments influence reading comprehension and learning. By combining expertise in brain research, reading development, and digital literacy, students will gain a comprehensive understanding of reading processes across different contexts and populations as well as cognitive neuroscience methods (i.e. EEG & Eye-tracking) that can be used in research on these topics.

1. ELIGIBILITY CRITERIA

Applicants must fulfil the following compulsory criteria:

- To be duly enrolled at the University of Pavia for the entire duration of the mobility in the **Neurosciences and Behavioural Sciences Department** as:
 - Master student
 - Phd student
- To possess a proficiency in English language of at least a B1 level of CEFR (Common European Framework of Reference for Languages). Students will be required to communicate and discuss fluently in English, take part in group activities and in general to treat any topic with ease.

2. DETAILS ABOUT THE MOBILITY

The BIP *Understanding research on neurocognitive and digital dimensions of reading, reading difficulties and online reading comprehension* will take place **online** before the mobility in presence on April 28th, 2026 and after the mobility in presence on May 19th, 2026, and in presence at the **University of Jyväskylä**, Finland, **from 4th to 8th May (both included)**. The course will be considered completed and funded only if the participants will attend the full programme of the entire online part and of the 5 training days in presence.

The University of Jyväskylä will provide the students with a certificate of attendance including the total number of hours attended together with the topics treated and the number of ECTS obtained (3).

3. MOBILITY GRANTS

3.1 The mobility grant includes:

- an **individual support** of 79,00€ per student for each day of mobility in presence aiming at covering accommodation and meals costs. 2 (two) days of travelling, immediately before and after the beginning and finishing date of the course can be added to the days of mobility in presence;
- a **travel support** as follows:

Kilometres	Green Travel	Non-Green Travel
Between 10 and 99 KM	56	28
Between 100 and 499 KM	285	211
Between 500 and 1999 KM	417	309
Between 2000 and 2999 KM	535	395
Between 3000 and 3999 KM	785	580
Between 4000 and 7999 KM	1188	1188
8000 KM or more	1735	1735

The kilometres are calculated using the [Erasmus Distance Calculator](#).

3.2 The exact amount of the Erasmus Grant will be explained to the selected students in the Grant Agreements they will be required to sign.

3.3 Mobility grants will be paid by the University of Pavia as follows:

- The **individual support** will be paid **before the beginning of the mobility in presence**;
- The **travel support** will be paid **after the beginning of the mobility in presence**, provided that the participant has attended the Blended Intensive programme for its entire duration (**physical + virtual**) and s/he is able to provide travel documents (e.g. boarding passes) and the certificate of attendance.

3.4 The mobility grant is a fixed amount of money that cannot be incremented under any circumstances.

3.5 The University of Pavia will provide its outgoing students with insurance covering accidents, civil liability and other guarantees in accordance with its internal procedures.

4. ONLINE APPLICATION AND DEADLINE

The applicant is required to complete the online application form at the following link by the **07/03/2026** at 12:00 CET - noon.

Incomplete applications will not be taken into consideration

5. EVALUATION AND SELECTION

The selection will be made by a joint Committee established within the Department of Neurosciences and Behavioural Sciences headed by the Professor in charge of the BIP for the University of Pavia (Prof. Sara Mascheretti). The following criteria will be taken into consideration:

- The motivation letter;
- Relevance with study program.

In case of equal evaluation between two candidates, the Evaluation Commission reserves the right to give priority to those applications which add to the diversity of the study programme in terms of gender balance, year of study, and variety of mobility experience.

The Committee reserves the right to check the validity of declarations and supporting documents. False statements may lead to exclusion from the selection process and the award of the scholarship. Each applicant will be notified about selection results and the grant in due time, via the email address provided in the application.

Selected applicants must then officially accept the awarded grant by answering via email.

6. PERSONAL DATA TREATMENT

Personal data submitted by the applicants will be used solely for application and selection procedures and institutional aims, and will be treated in accordance with the European General Data Protection Regulation no. 2016/679 art. 13.

7. PERSON RESPONSIBLE FOR THE PROCEDURE AND INFORMATION

Responsible for the administrative procedure, pursuant to Law 7 August 1990, n. 241 as amended by Law n. 15/2005 is Ms. Michela Cobelli, Head of the International Mobility Unit.
