## OVERSEAS EXCHANGE PROGRAMME A.Y. 2026/27

### APPLICATION INSTRUCTIONS

#### Step 1

**All candidates** must fill in the **online application**, with **possible upload of language certificates**, through the Mobility-Online platform, scrupulously following the instructions below.

The **online application will be divided into two parts**:

- ✚ The **first part** involves the submission of one's candidacy only
- ✚ the **second part** involves the confirmation of personal data and the possible upload of language certificates, if the candidate already has them.

**The online application will be active from Thursday 18 June and until 1 P.M. on Thursday 2 July 2026.**

1) Access the **online form** with your University credentials (tax code and password):

3) In the "Study details" section you will find the Department to which your degree course belongs, the course of study in which you are enrolled and the level (I: bachelor's degree, II: master's degree/single-cycle master's degree). You can also consult the areas of affiliation on the [University International website](#).

PLEASE NOTE – If you are enrolled in the 3rd year of a Bachelor's degree and intend to carry out the mobility period during the 1st year of a Master's degree, change the previous fields and indicate the name of the Master's degree in which you intend to enrol.

We invite you to pay particular attention in choosing the correct course of study, otherwise you will not be able to view the destinations available for your degree course.

4) In the "Destinations" section you can choose up to five universities from those available, indicating the order of preference.

You will have to pay particular attention to the characteristics of each individual location:

- subject area (ISCED/subject area)
- educational offer of the foreign university
- language requirements required by the universities you intend to apply for
- admitted levels of study
- existence of special requirements dictated by the host university

WARNING – The "bilateral agreement" field contains the names of each individual agreement. If you have multiple options, pay attention to the name listed and make sure you choose the deal you are interested in. Carefully review [the list of destinations available for your area](#) and check all the details regarding the duration, the area of study and any special notes.

5) In the "Academic and personal reasons" section, you will have to indicate the purpose of your mobility.

Option 1 – exams: you will have to indicate the exams you intend to take abroad for each location you have chosen ("list of exams you intend to take at the host institution") and how they will be recognized once you return to Pavia ("list of exams to be recognized at UNIPV").

Option 2 – thesis: you will have to indicate the thesis research topic that you intend to carry out abroad.

ATTENTION – Not all universities accept students who only intend to prepare their thesis, without taking courses.

Option 3 – exams and thesis: you will have to indicate the exams you intend to take abroad for each location you have chosen ("list of exams you intend to take at the host institution") and how they will be recognized once you return to Pavia ("list of exams to be recognized at UNIPV"), and the thesis research topic you intend to take abroad.

In all three cases, it is also important to discuss with your international mobility coordinator.

The activities included here are indicative and can be modified once you are assigned the final location. They are for the sole purpose of verifying that you have consulted the educational offer at the locations of your interest and ascertaining its actual compatibility with your course of study in Pavia.
